After your registration is confirmed, we will put you in contact with a Community Liaison. **Your Liaison will coordinate the volunteer activities at a certain stretch of stream the day of the Sweep. They will determine where you will meet and will oversee all your needs on the day of the Sweep.** Whether you are leading a group or are an individual volunteer, you will receive a packet of materials via email. It will include a Group Coordinator's Manual to help you organize your day. To guarantee supplies for your group of 10+, please be sure to provide a one month notice. Also included in the packet will be waiver forms to be filled out by every participant. Complete and provide your waiver to your Community Liaison or Group Coordinator the day of the Sweep.
